

EPORTFOLIO

MATTERS DAY

KPU

Join us for ePortfolio Matters Day, a day dedicated to exploring the power of ePortfolios in post-secondary education. This **free** event will highlight the PebblePad platform and its growing use across BC's universities and colleges.

Keynote presenter Dr. Candyce Reynolds

Join presenters and guests from across the sector for engaging discussions, presentations, and networking. Don't miss this opportunity to connect and share best practices for integrating ePortfolios into teaching and learning.
