- Overall, the moments in the course when I was most involved as a learner were when:
- Please share anything about this course the previous questions did not allow you to express.

Open-ended – students may type anything they wish.

Responses will not be redacted on your report.

#### **Caution for multi-instructor courses:**

students could write anything in here about you or your fellow instructors. Unlike the Instructor Questions above, all Open-Ended responses will appear on each co-instructor's report.

Asked of students in all courses.

Typically within 1-2 weeks of each course's survey end date, you'll be emailed a link to a personalized report accessible only by you.

Except for the four questions listed under “**Trades Program Questions**” above, no response data is shared with anyone but the instructor(s) who were opted into the survey (and the survey administrators, for maintenance and troubleshooting).
